NEW YEAR'S RESOLUTION!

Danny

The Dots had a fun-filled Holiday celebration with their family but were ready to go back to school to see their friends and share the gifts they had received. As they gathered around and showed off their new toys, Danny asked if anyone knew what a New Year's resolution was.

"I heard mom and dad talking about what their New Year's resolution for 2009 was going to be. It sounded like they promise to do something and get a prize at the end of the year if they did it!" Danny exclaimed.

Dolly

The idea of a prize caught Dennis' attention. "What kind of prize?" he asked.

"Well," said Darlene, "a New Year's resolution is when you set a goal that you plan to reach that year. For example, my New Year's resolution is to not fight with my sister anymore. If I fight less with my sister, my prize is that I will get along with her and have a best friend that is also my sister."

Dennis

"So if my resolution is to save money, and I promise to deposit \$1 of my allowance a week in my Arizona Federal account, I can buy a toy with the money at the end of the year!" exclaimed Dennis.

"I guess you could buy something at the end of the year," said Darlene. "Just as long as you remember that your resolution is to save money and you don't spend all of it on your toy."

All of the Dots then decided they were all going to deposit \$1 of their allowance into their savings account every week.

Is your New Year's resolution to save money? If it is, make sure to enter the "How Do You Save?" contest! Check out the rules on the next page.
