To open a checking account, a minimum opening deposit of \$20 is required for members age 18 and older. Dividends accrue from date of deposit and are compounded and credited monthly based on the average daily balance. The dividend rate and yield may change every month as determined by the Credit Union Board of Directors. Dividends are paid from current income and available earnings after required transfers and reserves and are not guaranteed. Fees may reduce earnings. Refer to Fee Schedule for a complete list of fees.
